### PLA's 253 DELEGATES FOR THE 19<sup>TH</sup> PARTY CONGRESS

by JAYADEVA RANADE

On September 6, 2017, the People's Liberation Army (PLA) and People's Armed Police Force (PAPF) announced that they had elected a total of 303 Delegates to the 19<sup>th</sup> National Congress of the Chinese Communist Party (CCP). The PLA elected 253 Delegates to represent it at the 19<sup>th</sup> Party Congress, which will open in Beijing on October 18, 2017. A list identifying the 253 individuals together with almost all their designations is appended.

There are three Tibetans in the list of the PLA's Delegates unlike at the 18th Party Congress in November 2012 when there was one. Members of the Central Military Commission (CMC) included in the list of Delegates are: Wei Fenghe, Chang Wanquan, Wu Shengli, Ma Xiaotian, Fan Changlong, Zhao Keshi and Xu Qiliang. Retired PLA Navy Commander Wu Shengli is among the Delegates as is former PLA Air Force (PLAAF) Commander Ma Xiaotian. Missing are Fang Fenghui and Zhang Yang (Director of the General Political Dept now merged into the CMC), both believed to be under 'investigation' on charges of corruption.

Among the new Delegates is Zhong Shaojun, who was born in 1968 and is a long-time personal secretary of Xi Jinping. In 2013, he was seen wearing a PLA uniform with a Colonel's badges of rank. He is presently Deputy Director of the General Office for the Central Military Commission and Director of the Office for Xi Jinping, Chairman of the Central Military Commission. Zhong Shaojun is now a Major General in the PLA.

Of the PLA's five Theatre Commands, General Zhao Zongqi, Commander of the Western Theatre Command deployed opposite India's border with China, is a Delegate along with the Commanders of the Northern, Eastern and Southern Theatre Commands.

Interesting too is the inclusion among the Delegates of Major General Liu Geping, Commander of the PLA Ali Military Sub-District under the Western Theatre Command. Liu Geping was Commander of the Ali Military Sub-District in April 2013 and again in September 2014, when PLA troops carried out extended intrusions into the Depsang Plains and Chumar, both in Ladakh. In April 2013, the intrusion and ensuing stand-off was called off just days before the arrival of Chinese Premier Li Keqiang in India. The intrusion by PLA troops at Chumar in Ladakh coincided and continued till well after Chinese President Xi Jinping's visit

to India in September 2014. Liu Geping's promotion as Major General and listing as a Delegate suggests his career is on track and dismisses reports that these and similar intrusions do not have the approval of Xi Jinping and the CMC.

Indicative of Xi Jinping's stated emphasis on promoting officers who are politically reliable, professionally competent, or experienced in battle or Military Operations Other than War (MOOTW), Xinhua on May 23, 2017, reported that the CMC had approved the list of candidates for delegates to the 19th Party Congress and that Party leaders and cadres accounted for 62 percent, while the rest were grassroots Party members. It disclosed also that more than 72 percent of candidates are aged under 55, almost 99 percent have a college degree or above and 98 percent have been awarded third-class or above merit citations.
